ABOUT US

Overview: Prodigy Logistics & Procurements is a professional logistics and procurement solutions provider based in Nigeria. We simplify sourcing and nationwide delivery with tailored solutions designed specifically for B2B clients across Nigeria.

Who We Are: We aren't just a service provider; we're an extension of your business. We empower your operations with efficiency, transparency, and unwavering dedication. Our team handles the complexity of supply chain management, allowing you to focus on growth and core business activities.

VISION & MISSION

Vision

To be the most trusted logistics and procurement partner for B2B companies in Nigeria and beyond, driven by innovation, efficiency, and integrity.

- ✓ Smart Procurement
- ✓ Swift Delivery
- ✓ Prodigy Precision

Mission

To simplify sourcing and delivery processes for organizations through reliable logistics, smart procurement strategies, and client-focused execution.

- ✓ Strategic Sourcing
- ✓ Seamless Supply Chain
- ✓ Guaranteed Reliability

BUSINESS ACHIEVEMENTS

Our Track Record: We have successfully executed procurement and logistics operations across diverse sectors in Nigeria, serving private organizations, government-led CSR programs, and NGOs with equal dedication and excellence.

Notable Milestone: Since 2018, we have maintained an ongoing partnership for the annual nationwide distribution of JAMB's "Literacy to Read" English language textbook, ensuring timely delivery to students across all states in Nigeria. This multi-year project demonstrates our capacity to handle large-scale, time-sensitive educational material distribution with precision and reliability.

Key Strengths:

- Proven expertise across private, public, and non-profit sectors
- Built a robust network of trusted vendors and suppliers
- Established reliable nationwide distribution channels
- Maintained consistent on-time delivery performance year after year
- Developed strong partnerships with leading organizations and government agencies

HOW WE WORK

Our Process:

1

Consultation: We begin by understanding your unique business needs, challenges, and objectives. Our team conducts a thorough assessment of your supply chain requirements.

2

Planning: We develop a customized logistics and procurement strategy tailored to your specific requirements, timeline, and budget.

3

Execution: Our experienced team implements the solution with precision, handling everything from vendor sourcing to final delivery.

4

Monitoring: We provide real-time updates and tracking throughout the process, ensuring complete transparency and control.

5

Delivery: We ensure timely, safe delivery of goods to your designated location, with full documentation and quality verification.

6

Follow-up: We maintain ongoing communication and provide support to ensure your complete satisfaction and address any concerns.
